

## **MEMBERSHIP BENEFITS INFORMATION**

The LABC is a results-oriented organization, which provides a forum for the exchange of ideas and programs for the benefit of the business community. The LABC serves the entire Los Angeles area, and our committees and task forces deal with every major issue affecting the economic welfare of our region. These include planned, orderly growth and development, transportation, housing, education, crime prevention and the environment.

LABC members include companies operating in the fields of construction, technology, international trade, finance and a wide variety of professional services, as well as middle-market businesses and entrepreneurs. We provide members with access to elected officials and are active advocates on behalf of the business and professional community. We enlist our members as business advocates in the research, presentation and testimony given by the LABC at public and private forums.
